

CMX10 COIN COUNTER

CMX10 Coin Counter

The CMX10 is a heavy-duty mix coin counter.

The contactless and wear-free cashMAX® detection system measures 3 parameters of the coin in order to recognise the denomination or to reject it in case of a suspect coin.

CMX10 Functions

- Easy to use machine with low requirement for maintenance
- Excellent performance and reliable construction
- Easy to read display
- PIECE, BATCH and VALUE count of pre-sorted coin
- Can fill hopper straight from a cashier tray/box

Options:

- External display
- External printer
