

NC-3500

MULTI CURRENCY AUTHENTICATOR

Single Pocket Authenticator

The NC-3500 applies advanced multi-detection technology that brings excellent acceptance rates and also catches suspect notes with high level of accuracy. The unit has various modes and functions to keep up with the growing demands needed within a busy cash centre.

Unique clamshell bill path technology assists users with quick removal of any note jams and allows for easy cleaning of the unit. Along with a 2.8-inch LCD and user-friendly interface, the NC3500 delivers smooth and easy processing of banknotes.
